## TO WHOMSOEVER IT MAY CONCERN

We express appreciation to our Sub Contractor M/s AMOL DICALITE LIMITED towards the successful completion of Top-Up Perlite Filling Services for RASGAS LNG TANKS in Ras Laffan Industrial City, Qatar from January, 2012 till November, 2012 for 5 Nos. LNG Tanks.

The scope includes supply, in situ Expansion of Perlite and Filling of approx. 6000 M<sup>3</sup> of Expanded Perlite in LNG Tanks (live plant). AMOL DICALITE had exercised proper control over resources management and excellent cooperation throughout the project to complete the task within the given time schedule maintaining highest safety measures on the project.

We are confident that AMOL DICALITE can execute any large quantum of TOP-UP Perlite Filling Work and have no hesitation in recommending AMOL to execute similar works in future.

We wish AMOL all success in their future ventures.
